## WISHLIST ITEMS FOR COMMUNITY SERVICE HOURS PROGRAM

Thank you for going into the community and collecting Wish List items from family, neighbors, co-workers, friends, etc. to earn your community service hours needed for school or court AND to help the cats and kittens in need at Palm Beach Purrs. It is your responsibility to get **approval of this program, in advance, from your school or the court.** The purpose of the program is for you to spread the word about our mission while earning your hours... a win-win for both of us. All items must be new to receive credits.

If you are collecting Wish List items for school or court-ordered community service, please text 561-427-5116 to schedule a drop off appointment, drop off locations, count verification, and sign off on documentation of your hours.
